Dear Assemblyman Ammiano,

I have been covered by Healthy San Francisco since 2009. I reenrolled today for the second time. As I was signing the application I said to myself, "thank God for Tom Ammiano!" Then I said to myself, "it's time you thanked Tom". So, Tom, thank you! Thank you for Healthy San Francisco and all the other things that you have done to look out for all the average guys and gals and kids here in San Francisco for so many years!

With much appreciation and kindest regards,

John Gollin
